Stage #1: 20 rounds Slow fire prone, 25 minutes; MR31 target

Unlimited sighting shots are allowed, sighting shots can be made at any time during the course of fire. Block time will be used, block time includes preparation time and time for slighter shots.

GENERAL INFO:

- Safety first, last, and always
- Everyone is a safety officer. If you observe an unsafe condition, immediately call for a cease fire and report it to the match director
- The use of eye and ear protection on range facilities is required per PSA rules
- The use of empty chamber indicator (ECI) is required

- Do not go forward of the firing line unless instructed to do so
- Always keep loaded rifles pointed downrange
- Always follow the range commands
- Police your brass and trash
- Keep talking and distractions to a minimum as not to disturb other shooters
- Flagrant unsafe actions and unsportsmanlike behavior are grounds for removal from the line and club property, with no refund of match fees.
